

# got milk?

We do, and **water** and **orange juice** too!!

Pre-first through 8<sup>th</sup> Grade, only.

Beginning Monday September 10<sup>th</sup>, the Milk Program will begin. This year we are expanding our selection to include ½ pints of natural spring water. Each student in grades pre-first through 8<sup>th</sup> grade has the option of receiving a ½ pint carton of 2% white milk, low fat chocolate milk, 100% orange juice or natural spring water. The cost for one carton of milk, juice or water for the entire year is \$50.00. The cost for two milks, juice or water for the school year is \$100.00.

Please fill out the **Daily Drink Options** on the **Patrons' E-Mailer Order Form** with your child's selection for each trimester. **The order form is due back no later that September 7<sup>th</sup>, 2007.**

Please make a note of your child's choices and remind your child periodically of their drink choices for each month. This is to ensure that our milk count remains accurate and that each child will receive his/her correct selection.

Remember to send a drink with your child's lunch until Monday, September 10<sup>th</sup>. Samples of the various selections will be available for your children to try on Thursday, Sept 6<sup>th</sup> the second day of school. If you have any questions please call Julie Lafferty @ 717.993.3284

**Please complete the Daily Drink Options on the Patrons' Summer E-Mailer Form and return to the office by September 7<sup>th</sup>. Thank You.**
